Reporting Standards:

This report conforms to the MBA Career Services & Employer Alliance Standards for Reporting MBA Employment Statistics.

Graduates completed their degree requirements and were conferred their degrees in two ceremonies which were November 25, 2021 and June 14, 2022.

This report is based upon reliable information for 90% of the graduates.

This salary report is based upon useable salary information from 62% of the graduates who accepted a job by three months after graduation.
